

ADCA (Advance Diploma in Computer Application) 12 Months**M1- Ms Office (Fundamental, Windows 7/10, Ms Word, Ms Excel, Ms Power Point.****M2- Tally with GST**

Basics of Tally, Ledger, Stock Item, Vouchers, Accounting Voucher, Inventory Voucher, Master Configuration, Password Mgmt, Auditing, Inventory Management, Reports, GST Basic, GST Ledger, GST Entry.

M3- Tally with Tax

Basics of Tax, Classification of Tax, Benefit of Tax, VAT, Service Tax, TDS, Excise.

M4- Internet Technology**M5- DTP**

Pagemaker, Corel Draw, Photoshop

M6- HTML WEB PROGRAMMING**Office (Certificate in Office Assistant) 3 Months****M1- Ms Office (Fundamental, Windows 7/10, Ms Word, Ms Excel, Ms Power Point.****Internet Basic****CTA (Certificate in Tally Accounting) 3 Months****M2- Tally with GST**

Basics of Tally, Ledger, Stock Item, Vouchers, Accounting Voucher, Inventory Voucher, Master Configuration, Password Mgmt, Auditing, Inventory Management, Reports, GST Basic, GST Ledger, GST Entry.

**CCC (Course on Computer Concept) 80 Hours****M1- Ms Office (Fundamental, Windows 7/10, Ms Word, Ms Excel, Ms Power Point, Internet Basic Concept.****OTHER COURSES**

Courses	Fees
* C & C++	5000
* VISUAL BASIC	6000
* ASP.NET	8000
* BASICS OF COMPUTER	3500
* ADVANCE INTERNET	2500
* TALLY WITH GST	5500
* TALLY WITH TAX	4500
* HARDWARE BASIC CONCEPT	5000
* NETWORKING CONCEPT	12000
* DTP	4500

Office: Near Dhoom Baba Mandir, Ballia #7268 884 573

ADST (Advance Diploma in Software Technology) 12 Months**M1- Ms Office (Fundamental, Windows 7/10, Ms Word, Ms Excel, Ms Power Point.****M2- Tally with GST**

Basics of Tally, Ledger, Stock Item, Vouchers, Accounting Voucher, Inventory Voucher, Master Configuration, Password Mgmt, Auditing, Inventory Management, Reports, GST Basic, GST Ledger, GST Entry.

M3- Tally with Tax

Basics of Tax, Classification of Tax, Benefit of Tax, VAT, Service Tax, TDS, Excise.

M4- Internet Technology

Basics of Internet, Network Concept, LAN, MAN, WAN, Terminology, Gmail, Railway Tkt Flight Tkt, Passport Online, Send SMS, PayTM, Facebook, Hotel, News, Result, Youtube.

M5- DTP

Pagemaker, Corel Draw, Photoshop

M6- HTML WEB PROGRAMMING

Basics of HTML, Website Layout, Structure, Tags, Elements, Attributes, Text Formatting, Link Image, Table, Marquee, Form Design.

M7- Hardware Basic Concept

Basics of Hardware, Component of Hardware, Motherboard and It's Component, RAM, CPU, HDD Types, ODD, Assembling, LAN, WIFI, BIOS Setting, Booting.

M8- Software Operations & Installation

Dos Commands, Operating System, Formatting, Partition of HDD, Installation of O.S., Setting of OS, Installation of Software, Installation of Printer, Scanner, Modem Configuration.

M9- Networking Concept

Basics of Networking, LAN Setting & Install, Wi-Fi Setting, Connecting Wi-Fi, Define IP, Define Computer Name, Admin Privilege, Combine Computer by Networking

ADCHN (Advance Diploma in Computer Hardware Networking) 9 Months**M1- Ms Office (Fundamental, Windows 7/10, Ms Word, Ms Excel, Ms Power Point.****M2- Hardware Basic Concept**

Basics of Hardware, Component of Hardware, Motherboard and It's Component, RAM, CPU, HDD Types, ODD, Assembling, LAN, WIFI, BIOS Setting, Booting.

M3- Software Operations & Installation

Dos Commands, Operating System, Formatting, Partition of HDD, Installation of O.S., Setting of OS, Installation of Software, Installation of Printer, Scanner, Modem Configuration.

M4- Networking Concept

Basics of Networking, LAN Setting & Install, Wi-Fi Setting, Connecting Wi-Fi, Define IP, Define Computer Name, Admin Privilege, Combine Computer by Networking

C or C++ 3 Months**M1- Programming Through C Lang.**

Basics of C or C++, History of C, Coding Structure, Algorithm, Flow Chart, Conditional Statement, Looping, Array, Function, Pointer, Union, Structure, Storage Classes, File Processing

C or C++ 3 Months**M1- Programming in JAVA**

Basics of JAVA, History of JAVA, Coding Structure, Class, Object, Data Abstraction, Data Encapsulation, Algorithm, Flow Chart, Conditional Statement, Looping, Array, Interface, Web Technology

0 Level (Nielit Courses) 12 Months**M1- It Tools Business System**

Fundamental, Windows 7/10, Dos Command, Linux O.S., Ms Word, Ms Excel, Ms Power Point, Access, SQL, Information Technology.

M2- Programming Through C Lang.

Basics of C, History of C, Coding Structure, Algorithm, Flow Chart, Conditional Statement, Looping, Array, Function, Pointer, Union, Structure, Storage Classes, File Processing

M3- Internet Technology & Web Designing

Basics of HTML, Website Layout, Structure, Tags, Elements, Attributes, Text Formatting, Link Image, Table, Marquee, Form Design.

M4- Introduction to ICT Resources

Basics of Hardware, Component of Hardware, Motherboard and It's Component, RAM, CPU, HDD Types, ODD, Assembling, LAN, WIFI, BIOS Setting, Booting.

Basics of Networking, LAN Setting & Install, Wi-Fi Setting, Connecting Wi-Fi, Define IP, Define Computer Name, Admin Privilege, Combine Computer by Networking

AutoCAD 3 Months**M1- AutoCAD (Civil, Electrical, Mechanical etc)**

Basics of Autocad, 2d Drawing, Tools, Interfaces, Saving Drawing, Dimension, Text Decoration, Layers, Door, Window, Export File, Print File, Page Setup

3d Basic, 3d Tools, Drawing, Dimension, Export, Filter, Cutting, Lighting etc.
